SMILE-A-WHILE: A traffic cop in a small town stopped a motorist for speeding. The driver said, “But officer, I can explain...” The cop said, “Save your excuses. You can cool your heels in jail till the chief gets back.” Driver said, “But officer...” The cop snapped, “Quiet! You're going to jail. The chief will deal with you when he gets back.” A few hours later the officer looked in at the prisoner. “Lucky for you that the chief is at his daughter's wedding. It means he'll be in a good mood when he gets back.” The prisoner said, “Don't count on it. I'm the groom.”
